APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. It is understood that the 0.1 cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.1 cubic feet per second.

Actual construction work shall begin on or before September 1, 1940

Proof of commencement of work shall be filed before October 1, 1940

Work must be prosecuted with reasonable diligence and be completed on or before September 1, 1942

Proof of completion of work shall be filed before October 1, 1942

Application of water to beneficial use shall be made on or before

September 1, 1943. Proof of the application of water to beneficial

use must be filed with State Engineer on or before October 1, 1943

Map Filed Sept. 1, 1939

Proof of commencement of work filed OCT 1, 1940

Cancelled NOV 9 1950

because of failure

of March, 1940

of applicant to comply with the provisions of permit

ALFRED MERRITT SMITH

State Engineer.
